jurisdiction, to take prompt action for collecting all arrears due and to submit proposals for costabls required in each Taluk for village and Taluk work.

19.. Pending the receipt of the above proposals, the D.C. proposes to entertain an executive subordinate on Rs 70/- m for this work, & to attach him to his office for the present & to send him to the Krishnaraipet Taluk, where there are heavy arrears.

20. The Muz. Court recommends sanction to the proposal and proposes that the pay of the official may be met from the State Funds in the first instance and recouped from the realizations.

21. Instead of meeting the cost from State Funds in the first instance, which requires financial consultation and approval, it is for consideration whether it cannot, in the first instance, be met from the Math Tassidh and recouped, if necessary, by realizations from the Dham villages.

The pay of Mr. Anantingaz, the late agent of the Math, was probably met from the Math Tassidh & the same course may perhaps, be adopted now also.

My dear Sir,

I am desired to state that the Inam Villages noted below have been endowed to Sri Parakalaswami Mutt in -
Mysore and are being managed by the Mutt now:-

representation received from the Mutt, it appears that the management of the villages has not improved to any considerable extent. Arrears of revenue have been outstanding in some cases for more than 20 years and clear and correct accounts are understood to be not forthcoming. There is reason to fear that the village officials are not crediting all the amount received by them. It is apprehended that a fresh appointment of an official to work under the Mutt will not improve matters to a great extent. It is therefore the desire of His Holiness Sri Parakalaswamigalu, as will be seen from the enclosed copy of letter received from the honorary Superintendent of the Mutt, that the management of the Mutt estates should vest in Government for five years at least i.e., until the affairs of the estate are brought to a satisfactory condition. I am desired to state that the request of the Mutt may be complied with and to request you to be so good as to obtain the early orders of Government in that behalf.

Yours sincerely,

b Letter No.C.349/25-26 dated 25th December 1925 from the Deputy Commissioner Mysore District, to the Muzrai Commissioner In Mysore, Bangalore.

In reply to your letter No.C.448 of 1925-26 dated 23rd November 1925 regarding the appointment of an executive subordinate for the collection of arrears due in the villages of Sri ParakalaMutt taker under Government management in accordance with Government Order No.449-22-Muz.111-23-4 dated 26th October 1925 , I have the honor to state as follows.

While, doubtless, the Amildars of taluks in which the villages are situated are responsible for the collection of arrears in these villages as well as for other properties belonging to the Mutt in their respective taluks, I have to state that initial work is particularly arduous and requires proper organisation and ~~scrutiny~~ scrutiny of accounts before the Amildars can be entrusted with this work as part of their routine duties. To make matters clear I had a further discussion with the Honorary Superintendent of Sri Parakalaswami Mutt, and asked to consult with the Holiness, the swami also in the matter. From his letter No. 277/25 dated 23rd December 1925 (copy enclosed) it will be seen that the arrears in the villages is not clearly known to him even, and that the arrears in Krishnarajpet Taluk according to his present information is about Rs.39,000/- while that in all taluks in the District exceeds Rs.48,000/-. He states also that the arrears extend over a period ranging from 20 to 30 years.

From discussions with him on this and previous occasions I learn that a good deal of outstanding arrears is due to the want of cooperation of village officials with the Mutt. For example I know from personal knowledge that in the villages, Verhanathanakallahalli, Ambigarahalli and Pura which between them answer for Rs.50,000/- arrears, the relations between the Mutt and the Villages servants as well as the villagers are not conducive to secure expeditious recovery. It will also be seen from the above that arrears which are time-barred, arrears which have to be recovered through Civil Courts, and arrears for which Revenue Coercive process is available are all mixed up in the accounts.

It is therefore necessary that a competent Accountant should camp in each village, overhaul the accounts with the shanbhogs and where possible

where possible,, with the Honorary Superintendent, prepare a correct Kulw Bakipatti and take expeditious steps before the end of the current year for the recovery of all arrears which can be easily recovered and initiate steps for the recovery of other arrears requiring intercession of Civil Courts etc. The work is both difficult and delicate and requires a certain amount of tact in the beginning. It will not do therefore to leave it in the hands of the ordinary staff available for the Amildar, namely, the Sheikdar of the Hobli and Sanbogh of the village particularly as it is not to the interest of the sanbogh to expedite the matters. I may add that the Amildar of Krishnarajapet particularly has considerable work to do, the arrears in his Taluk even on this date aggregating Rs.40,000/-, owing to complications in the accounts consequent on the operations under the Land Compensation Scheme of Krishnaraja Sagara and as the Revision Settlement Jamabandi of this Taluk is due this year.

It is on the consideration of these factors which, I regret, I did not explain in detail in my previous letter, that I applied for the services of a competent senior official, who will under my instructions do all the Preliminary work and be able to bring some amount of order in the accounts of these villagers before leaving them to the ordinary routine charge of the Amildar.

As I propose conducting the Jamabandi of Krishnarajapet Taluk in the first week of February and as it is necessary that the official newly selected must have visited villages beforehand and made a preliminary study of the position, I request very early sanction to the appointment proposed, namely, an official on Rs.70/- who will for purposes of discipline be attached to my office but will work in close collaboration with the Amildar of the Taluk.

The appointment may for the present be sanctioned only till the end of July 1926 by which time the current year's collection should have been over and the accounts of the year can be written up and completed.

It will be seen from the enclosed letter that His Holiness agrees in my proposal that such a special official is necessary in the commencement.
